

K-LOVE Christian radio serves me in a unique way that is unlike any other radio station available to my community. It offers family-friendly encouraging music and programming. If K-LOVE were to be displaced by an LPFM broadcaster, its effects would be detrimental to my community because the community would be void of that type of blessing. I believe that the service provided by K-LOVE is in the public interest because that type of programming is not available on any other local radio station. I believe that God is moving in powerful ways to reach people through K-LOVE radio. It is important that K-LOVE remain on the air in my community and nationwide!
